 - (b) all amounts of compensation not paid in accordance with section 44 and to which, but for the conviction or finding of guilt, the worker would have been entitled.

46 Out of or in the course of employment

- (1) An injury to a worker is deemed to arise out of or in the course of employment for the purposes of section 39(1) and (2) if the injury occurs—
- (a) while the worker on any working day that the worker attended at the place of employment having been present at the place of employment is temporarily absent on that day during any authorised recess and does not during that absence voluntarily subject himself or herself to any abnormal risk of injury; or

if the act was done by the worker for the purposes of and in connection with the employer's trade or business.

47 Compensation for workers injured outside Australia

(1) If an employer who resides, or has a place of business, in Victoria engages a worker in Victoria and an injury is caused to or suffered by the worker outside Australia in circumstances which, had the injury occurred in Victoria, would have entitled the worker or the worker's dependants to compensation—

- (a) the worker; or
- (b) in the case of the death of the worker, the worker's dependants—

are entitled to compensation in accordance with this Act.

(2) If, outside Australia, an injury is caused to or suffered by a worker to whom this Act applies because of clause 14 of Schedule 1 in circumstances that, had the injury occurred in Victoria, would have entitled the worker or the worker's dependants to compensation—

- (a) the worker; or
- (b) in the case of the death of the worker, the worker's dependants—

are entitled to compensation in accordance with this Act.

- (3) For the purposes of this Act, a worker to whom this Act applies because of clause 14 of Schedule 1 who is directed, as such a worker, to work for, or under the direction of, any other person outside Victoria (whether within or outside Australia), is deemed to continue to be a worker to whom this Act applies.
- (4) This section does not apply in respect of an injury caused to or suffered by a worker outside Australia if the worker—
 - (a) has never resided in Australia; or
 - (b) had ceased to reside in Australia at the time the injury occurred.

48 Person not to be compensated twice

- (1) Compensation under this Act is not payable in respect of an injury to the extent that compensation has been received in respect of the same injury under the laws of a place other than this State (whether within or outside Australia).
- (2) If a person receives compensation under this Act in respect of an injury and, in respect of the same injury, subsequently receives compensation under the laws of a place other than this State (whether within or outside Australia), the person from whom compensation under this Act is received may, in a court of competent jurisdiction, sue and recover from the person the amount described in subsection (3).
- (3) The amount that is recoverable under subsection (2) is—
 - (a) the amount of compensation paid under this Act; or
 - (b) the amount of compensation received under the laws of the place other than this State—whichever is less.

49 Entitlement to damages outside Victoria

- (1) This section applies if an injury is caused to, or suffered by, a worker which gives the worker a right of action under the law of a place outside Victoria (whether within or outside Australia) in circumstances which would otherwise have entitled the worker or the worker's dependants to compensation under this Act.
- (2) Subject to subsection (3), if—
 - (a) damages have not been paid or recovered; and
 - (b) judgment for damages has not been given or entered—

in respect of the injury under the law of any place outside Victoria (whether within or outside Australia), the worker or, in the case of the death of the worker, the worker's dependants, are entitled to compensation under this Act as if there were no right of action under the law of any place outside Victoria.
- (3) A person who has a right of action in respect of an injury under the law of any place outside Victoria (whether within or outside Australia) is not entitled to claim compensation in respect of the injury under this Act if, in respect of the injury under the law of any place outside Victoria—
 - (a) the person has been paid or recovered any amount of damages; or
 - (b) judgment for damages has been given or entered; or
 - (c) any payment into court has been accepted; or
 - (d) there has been a settlement or compromise of any claim; or
 - (e) any action for damages is pending.

(4) If—

- (a) damages have been paid or recovered; or
- (b) judgment for damages has been given or entered—

in respect of the injury under the law of any place outside Victoria (whether within or outside Australia) the worker or, in the case of the death of the worker, the worker's dependants, are not entitled to compensation under this Act.

(5) The worker or, in the case of the death of the worker, the worker's dependants are not entitled to compensation under this Act if—

- (a) a payment into court has been accepted by the worker or the worker's dependants in proceedings; or
- (b) a settlement or compromise of a claim has been made—

in respect of the injury under the law of any place outside Victoria (whether within or outside Australia).

(6) If a person—

- (a) receives compensation under this Act in respect of any injury; and
- (b) subsequently obtains damages or an award of damages, accepts a payment into court or settles or compromises a claim in respect of the injury under the law of any place outside Victoria (whether within or outside Australia)—

the Authority, employer or a self-insurer is entitled to recover from that person the amount of compensation paid under this Act or an amount equal to the damages or payment obtained or

made, settled or compromised, whichever is the lesser amount.

- (7) Any dispute under subsection (6) must be determined by a court of competent jurisdiction.
- (8) Unless a worker produces satisfactory evidence to the contrary, any amount recovered or to be recovered by a worker under the law of any place outside Victoria (whether within or outside Australia) as damages in respect of an injury is presumed to be damages for the same injury in respect of which the worker claims compensation or a right of action under this Act.

50 Compensation for disease due to employment

- (1) Subject to section 7(1), section 40(2) and subsection (3) of this section, if—
 - (a) a worker suffers a disease that results in, or materially contributes to, the worker having either a current work capacity or no current work capacity; or
 - (b) the death of a worker is caused, or materially contributed to, by a disease—

and the disease is due to the nature of any employment in which the worker was employed at any time on or after 1 July 2014 before notice of an injury relating to the disease is given under section 18, the worker or the worker's dependants are entitled to compensation under this Act as if the disease were an injury arising out of or in the course of employment.

- (2) For the purposes of subsection (1), a disease suffered by a worker is to be regarded as due to the nature of employment if, and only if, the nature of the employment gave rise to a significantly greater risk of the worker contracting the disease than had the worker not been employed in employment of that nature.
-

- (3) Despite subsection (1), compensation is not payable in respect of a disease to the extent that the disease consists of, is caused by, results in or is associated with, a heart attack injury or a stroke injury unless the worker's employment was a significant contributing factor to the disease or to the injury.

51 Proclaimed diseases

- (1) The Governor in Council, after consultation by the Minister with the Authority, may by proclamation published in the Government Gazette from time to time proclaim diseases in relation to places, processes or occupations for the purpose of this section.
- (2) Without derogating from section 50, if at the time a claim was made, a proclamation under subsection (1) was in force and—
- (a) the worker has been employed at any place or in any process or occupation proclaimed under subsection (1); and
 - (b) has contracted a disease specified in relation to that place, process or occupation—
- then the disease is deemed to be due to the nature of the employment at such place or in such process or occupation unless the employer or the Authority or a self-insurer, as the case may be, proves to the contrary.
- (3) A disease contracted by a worker is deemed to be a disease specified in a proclamation under subsection (1) in relation to a place, process or occupation if the Authority, a self-insurer, the Magistrates' Court or the County Court (as the case requires) is satisfied that the disease contracted is substantially the same disease as the disease specified in the proclamation.

- (4) The **Subordinate Legislation Act 1994** does not apply to the first proclamation made and published under this section.

Division 4—Assessment of impairment

Subdivision 1—Preliminary

52 Definitions

In this Division—

compensation law means this Act, the **Workers Compensation Act 1958** or the **Accident Compensation Act 1985** or any other workers compensation law of the Commonwealth or a State or Territory of the Commonwealth;

further injury means a further loss of hearing in respect of industrial deafness after a worker has on one or more occasions suffered a prior injury;

prior hearing loss means a loss of hearing for which a worker has received compensation under a compensation law for loss of hearing;

prior injury means industrial deafness for which the worker has received or become entitled to receive compensation for loss of hearing.

53 Application of this Division to Division 5 of Part 5 and Part 7

- (1) For the purposes of Division 5 of Part 5—

- (a) impairments, other than psychiatric impairments, resulting from injuries which arose out of the same incident or occurred on the same date are to be assessed together using the combination formula in the A.M.A Guides; and

- (b) assessments are to specify the whole person values for each chapter of the A.M.A Guides used in the assessment.
- (2) For the purposes of Division 5 of Part 5 and Part 7—
 - (a) if a worker presents for assessment in relation to injuries which occurred on different dates, the impairments are to be assessed chronologically by date of injury; and
 - (b) impairments from unrelated injuries or causes are to be disregarded in making an assessment.

Subdivision 2—Assessment in accordance with A.M.A Guides

54 Assessment of impairment

- (1) In this Act, a reference to the assessment of a degree of impairment in accordance with this Division is a reference to an assessment—
 - (a) made in accordance with—
 - (i) the A.M.A Guides as applicable subject to this section, section 55 and the guidelines referred to in Subdivision 4; or
 - (ii) methods prescribed for the purposes of this section—
and in accordance with operational guidelines (if any) as to the use of those Guides or methods issued by the Minister; and
 - (b) if the Minister has approved a training course in the application of those Guides or methods, made by a medical practitioner

who has successfully completed such a training course.

- (2) The A.M.A Guides apply in respect of an assessment under section 3.3d of Chapter 3 of the A.M.A Guides as if the following were omitted—
- "with the Injury Model, surgery to treat an impairment does not modify the original impairment estimate, which remains the same in spite of any changes in signs or symptoms that may follow the surgery and irrespective of whether the patient has a favourable or unfavourable response to treatment".
- (3) Despite anything to the contrary in the A.M.A Guides, in determining a person's degree of impairment, a number determined under the A.M.A Guides is not to be rounded up or down, except as provided in subsection (4), regardless of whether the number represents an initial, an intermediate, a combined or a final value, unless the rounding is expressly required or permitted by this Act.
- (4) A number determined under the A.M.A Guides must be rounded to the nearest whole per cent.

Example

A final degree of impairment of 9.5 per cent must be rounded to 10 per cent. A final degree of impairment of 8.4 per cent must be rounded to 8 per cent.

- (5) For the purposes of this Act, the A.M.A Guides may be modified by the regulations.
- (6) If a regulation is made for the purposes of subsection (5), the A.M.A Guides as modified by the regulations apply only in respect of an injury occurring on or after the date the modification takes effect.
-

- (7) Any operational guidelines issued by the Minister for the purposes of subsection (1)(a) must be—
- (a) published in the Government Gazette and on a Government Internet website; and
 - (b) available for inspection by members of the public without charge at the office of the Authority during normal business hours.

55 When and how to make an assessment of impairment

Despite anything to the contrary in the A.M.A Guides, an assessment under this Division of the degree of impairment resulting from an injury must be made—

- (a) after the injury has stabilised; and
- (b) subject to section 53, based on the worker's current impairment as at the date of the assessment, including any changes in the signs and symptoms following any medical or surgical treatment undergone by the worker in respect of the injury.

56 Injury, impairment or symptoms consequential or secondary to physical injury

In assessing a degree of impairment in accordance with this Division, regard must not be had to any psychiatric or psychological injury, impairment or symptoms arising as a consequence of, or secondary to, a physical injury.

Subdivision 3—Industrial deafness

57 Compensation for industrial deafness

Compensation for industrial deafness must be determined in accordance with this Division and Divisions 2, 4, 5 and 7 of Part 5.

58 Excluded deafness

- (1) Impairment from industrial deafness, or a proportion of impairment from industrial deafness, that has occurred in circumstances that do not create any liability to pay compensation under this Act must be excluded from the assessment of deafness for the purposes of assessing the degree of impairment as at the time the assessment is made.
- (2) Industrial deafness, or a proportion of industrial deafness, that has occurred in circumstances that do not create any liability to pay compensation under this Act must be excluded from the assessment of deafness for the purposes of calculating compensation under this Act.

59 Industrial deafness deemed to occur at constant rate

- (1) Unless the Authority, a self-insurer, a Medical Panel, the Magistrates' Court or the County Court (as the case requires) determines otherwise, when the assessment of the degree of impairment from industrial deafness is made under this Act, the impairment from industrial deafness is deemed to have occurred at a constant rate within the total number of years of exposure to industrial noise in employment.
- (2) Unless the Authority, a self-insurer, a Medical Panel, the Magistrates' Court or the County Court (as the case requires) determines otherwise, industrial deafness is deemed to have occurred at a constant rate within the total number of years of exposure to industrial noise in employment.

60 Assessment of industrial deafness

- (1) Despite section 59 and subject to subsection (2), if a worker sustains industrial deafness, the injury is deemed to have been sustained by the worker on the last day on which the worker was—
 - (a) performing duties; or
 - (b) exposed to conditions—
by reason of which the injury was due to the nature of the worker's employment or arose out of or in the course of the worker's employment.
- (2) Despite section 59, if a worker sustains industrial deafness and on the day on which the worker gives, serves or lodges a claim for compensation in respect of the injury, the worker is still—
 - (a) performing duties; or
 - (b) exposed to conditions—
by reason of which the injury is due to the nature of the worker's employment or arises out of or in the course of employment, the injury is deemed to have been sustained on that day.

61 Further diminution of hearing

- (1) Subject to subsection (3), a worker who suffers a further injury is entitled to receive in respect of the further injury, in addition to any other compensation payable in accordance with this Act, compensation in accordance with section 213, being compensation referable to a percentage calculated in accordance with subsection (2) of the amount that would have been payable for a total loss of hearing.

- (2) The percentage is the difference between—
- (a) the total percentage of the diminution of hearing in respect of industrial deafness from which the worker was suffering immediately after the further injury in respect of which the claim is made; and
- Note**
- The percentage NAL loss is to be determined in accordance with section 63(4). The percentage NAL loss is then converted in accordance with section 63(1).
- (b) the total percentage of the diminution of hearing in respect of industrial deafness immediately after the prior injury or prior hearing loss or in the case of more than one prior injury or prior hearing loss the latest of the prior injuries or prior hearing losses.

Note

The percentage NAL loss is to be determined in accordance with subsection (5). The percentage NAL loss is then converted in accordance with section 63(3).

- (3) Despite anything to the contrary in this Act, a worker who suffers a further injury is not entitled to compensation under this section or Division 5 of Part 5, unless the worker has a diminution of hearing assessed as a binaural loss of hearing of at least 10 per cent NAL resulting from the further injury and any prior injury or prior hearing loss.
- (4) The total percentage referred to in subsection (2)(a) is to be determined in accordance with section 63(4).

- (5) The total percentage referred to in subsection (2)(b) is to be determined by reference to—
 - (a) if a percentage has been determined in accordance with the Improved Procedure for Determination of Percentage Loss of Hearing (1988 Edition or a later prescribed edition) published by the National Acoustic Laboratory, that percentage; or
 - (b) in any other case, the percentage which, having regard to the medical evidence available, is determined to be the equivalent of the percentage that (as nearly as can be estimated) would have been determined in accordance with the Improved Procedure for Determination of Percentage Loss of Hearing (1988 Edition or a later prescribed edition) published by the National Acoustic Laboratory.
- (6) If a worker disputes the total percentage referred to in subsection (2)(b) as determined in accordance with subsection (5), the Authority, self-insurer or a court must refer the question of what is the amount of the total percentage referred to in subsection (2)(b) as a medical question to a Medical Panel for an opinion.
- (7) For the purposes of this section the register kept under section 62(5) must be taken into account.

62 Effect of determination for industrial deafness

- (1) A determination for the payment of compensation for industrial deafness which is not reviewed is a final determination in respect of the percentage of the diminution of the worker's hearing on the date on which the worker advises the Authority or self-insurer that the worker accepts the determination.

- (2) A determination for the payment of compensation must state the percentage of diminution of the worker's hearing in respect of industrial deafness at the date of the determination in relation to which the amount of the compensation is assessed.
- (3) A determination for compensation for industrial deafness under this Act fully extinguishes all rights of the worker to compensation for industrial deafness under Division 5 of Part 5 or under section 98, 98C or 98E of the **Accident Compensation Act 1985** or under the **Workers Compensation Act 1958** up to the date of the determination but does not prevent the worker from obtaining compensation under Division 5 of Part 5 for further industrial deafness suffered after that date.
- (4) The Authority must be advised of any determination for the payment of compensation for industrial deafness.
- (5) The Authority must keep a register of determinations for the payment of compensation for industrial deafness advised under subsection (4).

63 Assessing degree of impairment of whole person

- (1) For the purposes of assessing the degree of impairment of the whole person resulting from diminution of hearing, the percentage of the diminution of hearing determined in accordance with subsection (4) is to be converted as follows—
 - (a) if the diminution of hearing assessed as a binaural loss of hearing is less than 10 per cent NAL, the degree of impairment is zero;

- (b) if the diminution of hearing assessed as a binaural loss of hearing is 10 per cent NAL, the degree of impairment is 10 per cent;
- (c) if the diminution of hearing assessed as a binaural loss of hearing is more than 10 per cent NAL, the degree of impairment is the percentage equivalent of the number (rounded up to the next whole number) given by the formula—

$$10 + [0.278 (\text{NAL} - 10)] -$$

where **NAL** is the percentage of diminution of hearing determined in accordance with subsection (4).

- (2) In the case of a further injury, for the purposes of assessing the degree of impairment of the whole person resulting from a diminution of hearing assessed as a binaural hearing impairment from which the worker was suffering immediately after the further injury in respect of which the claim is made, the percentage of the diminution of hearing is to be determined in accordance with subsection (4) and converted in accordance with subsection (1).
- (3) In the case of a further injury, for the purposes of assessing the degree of impairment of the whole person resulting from a diminution of hearing in respect of prior injury or prior hearing loss, the percentage of the diminution of hearing is to be determined in accordance with section 61(5) and (6) and converted as follows—
 - (a) if the diminution of hearing assessed as a binaural loss of hearing is less than 10 per cent NAL, the degree of impairment is equal to that per cent (rounded up to the next whole number);

- (b) if the diminution of hearing assessed as a binaural loss of hearing is 10 per cent NAL, the degree of impairment is 10 per cent;
- (c) if the diminution of hearing assessed as a binaural loss of hearing is more than 10 per cent NAL, the degree of impairment is the percentage equivalent of the number (rounded up to the next whole number) given by the formula—

$$10 + [0.278 (\text{NAL} - 10)] -$$

where **NAL** is the percentage of diminution of hearing determined in accordance with section 61(5) and (6).

- (4) For the purposes of this section and section 61(2)(a), the percentage of diminution of hearing—
 - (a) must be assessed as a binaural loss of hearing and determined—
 - (i) by a person or class of persons approved; and
 - (ii) in the manner approved—
by the Minister; and
 - (b) must be assessed as a binaural loss of hearing and determined in accordance with the Improved Procedure for Determination of Percentage Loss of Hearing (1988 Edition or a later prescribed edition) published by the National Acoustic Laboratory.
- (5) An approval by the Minister for the purposes of subsection (4)(a)(i) continues in force for the period not exceeding 3 years as is specified by the Minister in the approval unless revoked by the Minister.

- (1) If the Authority sets aside its decision under section 84(1)(b) to accept a claim made by a worker for compensation against the claimed employer—

 - (b) subject to the workers' rights to dispute resolution procedures under Part 6, the worker is not entitled to lodge another claim in respect of the same injury the subject of the set aside claim under section 84(1)(b) against the first claimed employer.
- (2) Despite the Authority's decision under section 84(1)(b) to set aside its original decision to accept a claim made by a worker for compensation against the claimed employer, the claimed employer is not entitled to recover any compensation payments made to the worker before the decision under section 84(1)(b) was made.

 - (b) a person is liable to pay an amount to the Authority or a self-insurer under this Act or the **Accident Compensation Act 1985**—
the amount concerned is recoverable by the Authority or a self-insurer from a person in a court of competent jurisdiction as a debt due to the Authority or self-insurer.

(5) If—

- (a) an amount is recoverable from a person under subsection (4); and
- (b) an amount is payable under this Act or the **Accident Compensation Act 1985** to or for the benefit of that person—

- (a) applied for a settlement; or
 - (b) been offered a settlement; or
 - (c) accepted an offer of settlement—the application, offer or acceptance is to be treated as if it was for a settlement for the amount set out in the amended response, unless the worker gives the Authority or self-insurer a written notice, before the expiry of 42 days from the date the worker is given the amended response, stating that he or she withdraws the application or acceptance or rejects the offer (as the case may be).

- (2) This section applies if a worker applying for a settlement under this Division has made a fraudulent or reckless misrepresentation relating to his or her circumstances or any change in his or her circumstances which would have been material to the decision of the Authority or self-insurer under section 255 whether or not to offer a settlement to the worker.
- (3) Without limiting the generality of subsection (2), the circumstances include the following—
 - (a) the worker ceases to satisfy any of the eligibility criteria specified in Subdivision 1 or 2;

- (3) In this section, *recurrence* includes aggravation, acceleration, exacerbation, or deterioration.

262 Authority or self-insurer may extend or waive time limits

- (3) An application for the waiver of a time limit may be made at any time, either before or after the limit has expired.
- (4) In extending or waiving a time limit, the Authority or self-insurer must specify in writing a new time limit within which the relevant act must be done.
- (5) If the Authority or self-insurer extends or waives a time limit—
 - (a) in the case of an extension, or a waiver that is granted before the time limit expires, the worker's entitlement to apply for a settlement on the expiration of that time limit does not cease on the expiration of that time limit; and
 - (b) in the case of a waiver, any entitlement to apply for a settlement that ceased on the expiry of the time limit is revived.

263 Minister may give directions

319 The applicable substantive law for work injury damages claims

- (1) If there is an entitlement to compensation under the statutory workers compensation scheme of a State in respect of an injury to a worker (whether or not compensation has been paid), the substantive law of that State is the substantive law that governs—
 - (a) whether or not a claim for damages in respect of the injury can be made; and
 - (b) if it can be made, the determination of the claim.
- (2) This Division does not apply if compensation is payable in respect of the injury under the statutory workers compensation scheme of more than one State.
- (3) For the purposes of this section, compensation is considered to be payable under a statutory workers compensation scheme of a State in respect of an injury if compensation in respect of it—
 - (a) would have been payable but for a provision of the scheme that excludes the worker's right to compensation because the injury is attributable to any conduct or failure of the worker that is specified in that provision; or
 - (b) would have been payable if a claim for that compensation had been duly made, and (where applicable) an election to claim that compensation (instead of damages) had been duly made.

(4) A reference in this section to compensation payable in respect of an injury does not include a reference to compensation payable on the basis of the provisional acceptance of liability.

(5) In this Division, *State* includes Territory.

For the purposes of this Division—

- (a) *injury* and *employer* include anything that is within the scope of a corresponding term in the statutory workers compensation scheme of another State; and

323 Availability of action in another State not relevant

- (1) It makes no difference for the purposes of this Division that, under the substantive law of another State—
 - (a) the nature of the circumstances is such that they would not have given rise to a cause of action had they occurred in that State; or
 - (b) the circumstances on which the claim is based do not give rise to a cause of action.
- (2) In this section, ***another State*** means a State other than the State with which the worker's employment is connected.

(b) loss of the expectation of financial support; or
(c) a liability to incur expenditure in the future; or

- (3) Subsection (2) applies only in respect of proceedings referred to in section 326 against a sole defendant if that sole defendant was the worker's employer at the date of the injury the subject of the proceedings.

- (2) If this section applies—
- (a) the legal personal representative of the deceased worker may take the same action as could have been taken by the worker had the worker not died—
 - (i) in respect of an application made by the worker under section 328(2) before his or her death; or
 - (ii) in respect of an application referred to in section 335(2)(d), within the unexpired period of time that would have been available to the deceased, or after that period with the consent of the Authority under section 337(1); and
 - (b) if an application under section 328(2) was pending at the time of the worker's death, the Authority or self-insurer, within the unexpired period of time in which it had to determine the application, must determine whether, as at the date the application was

served, the worker had a serious injury assessed in accordance with this section; and

- (c) any right arising from a determination by a Court, the Authority or a self-insurer that a worker had a serious injury is deemed, for the purposes of section 29 of the **Administration and Probate Act 1958**, to have vested in the worker before the worker's death and survives for the benefit of the deceased worker's estate.

 - (b) if the deceased worker's application established the matters specified in section 325(2)(e), (f) and (g), pecuniary loss damages in respect of the injury—
- from the date the injury was sustained to the date of death of the worker.
-

- (6) For the purposes of subsection (5)(b)—
 - (a) section 325(2)(e) applies as if a reference to "the date of the hearing of an application" were a reference to the date on which the application under section 328(2) was served; and
 - (b) section 325(2)(f) applies as if a reference to "that date" were a reference to the date on which the application under section 328(2) was served.

 - (ii) the Authority or self-insurer notifies the worker of the decision of the Medical Panel—whichever is applicable;
- (b) if the worker elects to make an application under section 328(2), the period of time commencing on the day on which the application is made and ending on the day on which proceedings are commenced in accordance with section 333(1)(e).

**S. 357
(Heading)
amended by
No. 44/2014
s. 24(14).**

- 357 Actions by terminally ill workers or workers with asbestos-related conditions**
- (1) This section applies if a worker who may have an entitlement to recover damages in accordance with Division 2—

 - (b) in respect of an injury that is an asbestos-related condition arising out of, or in the course of, or due to the nature of, employment.

-
- (2) If this section applies, the worker may, subject to compliance with the requirements of this section, bring proceedings in accordance with Division 2 without complying with the requirements of sections 325(2), 326 to 338 and 344(1) and (2).
- (3) If a worker commences proceedings under Division 2 on the basis that this section applies, the worker must within 30 days of the commencement of the proceedings apply to an Associate Judge of the Supreme Court—

S. 357(3)(b)

Note

An order allowing leave to proceed *nunc pro tunc* deems proceedings to have commenced before the order was made.

- (4) The Associate Judge of the Supreme Court must not grant the orders referred to in subsection (3) unless the Associate Judge of the Supreme Court is satisfied on the balance of probabilities that—
- (a) if subsection (1)(a) applies, the injury arising out of or in the course of, or due to the nature of, employment or an unrelated medical condition or injury gives rise to an imminent risk of death of the worker; or
 - (b) if subsection (1)(b) applies, the injury arising out of, or in the course of, or due to the nature of, employment is an asbestos-related condition.
- (5) If the Associate Judge of the Supreme Court does not grant the orders referred to in subsection (3), the Associate Judge of the Supreme Court must make an order that the proceedings be struck out

on the grounds that this section does not apply and that the proceedings have not been brought in accordance with Division 2.

- (7) If the worker dies from the asbestos-related condition before the hearing of the proceeding, it is established for the purposes of subsection (6) that the worker had a serious injury within the meaning of section 325(2).

- (c) subject to paragraph (d), section 348 applies to the proceedings referred to in subsection (1)(a); and
- (d) despite section 348(3), (4) and (5), for the purposes of the assessment of serious injury, the assessment must be made as at the date the proceedings referred to in subsection (1)(a) were served.

Division 4—Administration by a trustee

359 Certain funds to be administered by trustee

If, on application to the County Court, the County Court considers that it would be in the best interests of a person that any payment of compensation under this Act be paid to a trustee, the compensation must be paid to a trustee determined by the Court to be invested, applied or otherwise dealt with for the benefit of the person as the trustee thinks fit.

Division 5—Conduct of common law proceedings

360 Definitions

- (1) In this Division—

common law insurer means an insurer, other than the Authority, which is liable to indemnify a defendant in whole or in part in respect of or in relation to a common law proceeding;

common law proceeding means any suit or action by a worker to recover damages in respect of an injury, disease or death arising out of or in the course of employment or due to the

nature of employment but does not include a claim, demand or application for compensation under this Act;

defendant means the employer against whom a common law proceeding has been brought or made (as the case may be) by a worker;

worker includes a dependant of a worker.

361 Application of Division

- (1) This Division applies to and in relation to all common law proceedings brought or made (as the case may be) on or after 1 July 2014 in respect of which the Authority is liable to indemnify a defendant in whole or in part under this Act, in relation to an injury, disease or death caused to or suffered by a worker that has arisen out of, or in the course of any employment or is due to the nature of employment in which the worker was employed at any time.
- (2) A defendant or a common law insurer may enter into an agreement with the Authority that the provisions of this Division do not apply to a common law proceeding to which this Division applies and the provisions of this Division do not thereafter apply to the extent that they are inconsistent with that agreement.

362 Apportionment of liability

Liability to pay damages and all costs recovered or recoverable by a worker in a common law proceeding must be apportioned between—

- (a) the Authority; and
- (b) all other persons under any legal liability in respect of the injury the subject of the proceeding; and

(c) any common law insurer who is liable to indemnify any such persons in respect of or in relation to the common law proceeding—

in such manner as is, and upon such terms as are, agreed or, in default of agreement, as are determined in accordance with the provisions of this Division by a court to be just and equitable.

363 Notice of proceedings

- (1) The defendant in a common law proceeding made or brought (as the case may be) on or after 1 July 2014 must give to the Authority notice in writing of the proceeding within 14 days after the defendant receives notice of the proceeding.
- (2) The common law insurer in respect of the common law proceeding must give to the Authority notice in writing of the proceeding within 14 days after the insurer receives notice of the proceeding.

364 Conduct of defence

- (1) The defendant or the common law insurer is not entitled to conduct the defence of the common law proceeding unless the defendant or common law insurer, within 14 days after the last date for giving notice under section 363 undertakes to the Authority in writing that the defendant or common law insurer, as the case requires, will conduct the defence of the common law proceeding and—
 - (a) the Authority does not within 7 days after receiving the undertaking give notice in writing to the defendant or common law insurer objecting to the defendant or common law insurer conducting the defence; or
 - (b) the court in which the common law proceeding is brought at any time orders or directs that the defendant or common law

insurer is entitled to conduct the defence of the common law proceeding under this section.

- (2) If the court considers that the interest of one of the Authority, defendant or common law insurer in conducting the defence in proceedings is substantially greater than the interest of the other of the Authority, defendant or common law insurer, any order or direction under subsection (1) must be in favour of the person with the greater interest, unless the court considers it just and equitable to provide otherwise.
- (3) Subsection (1) does not prevent the defendant or common law insurer conducting the defence of the common law proceeding in accordance with its legal entitlement to do so from the date the defendant or common law insurer received notice of the common law proceeding until the expiration of the period set out in subsection (1)(a) but in so conducting the defence, the defendant and common law insurer must not settle or compromise the common law proceeding without the consent of the Authority.
- (4) If a defendant or common law insurer is at any time not entitled to conduct the defence of a common law proceeding in accordance with this section, the Authority or self-insurer may conduct the defence.
- (5) Subject to subsection (3), a person entitled to conduct, and which conducts, the defence of a common law proceeding in accordance with this section—
 - (a) is liable to make full payment of all costs and damages awarded or agreed to be paid to the worker or other person bringing or making (as the case may be) the common law proceeding; and

- (b) is authorised by each person under any legal liability in respect of the injury the subject of the proceeding and each common law insurer which is liable to indemnify any such person in respect of or in relation to the proceeding to make admissions, including admissions of liability, and to agree to or compromise or settle the common law proceeding; and
- (c) must, on behalf of the defendant, adopt a defence which has the intention of minimizing the damages payable to the worker, regardless of whether this defence advantages or disadvantages the Authority, the defendant or the common law insurer.

365 Order for apportionment of liability

- (1) In default of agreement under section 362, the Authority, the defendant and any common law insurer may at any time before entry of judgment in a common law proceeding, apply to the court in which the common law proceeding is brought for orders apportioning liability in respect of all damages and costs recovered or recoverable in the common law proceeding in accordance with that section, including orders in respect of the payment of all amounts required to be paid as a consequence of any such apportionment.
- (2) The court to which application is made under subsection (1)—
 - (a) may give such directions in relation to interlocutory orders for discovery, inspection and better particulars and for the filing of pleadings as it deems appropriate; and
 - (b) must hear and determine the application for apportionment in such manner and at such time as it deems appropriate.

- (3) If an application is not made under subsection (1), the Authority, the defendant and any common law insurer may apply to any court of competent jurisdiction for orders apportioning liability in respect of all damages and costs recovered or recoverable in a common law proceeding in accordance with section 362, including orders in respect of the payment of all amounts required to be paid as a consequence of any such apportionment.
- (4) The court to which application is brought under subsection (3)—
 - (a) may give such directions in relation to interlocutory orders for discovery, inspection and better particulars and for the filing of pleadings as it deems appropriate; and
 - (b) must hear and determine the claim for apportionment in such manner and at such time as it deems appropriate.
- (5) An application to a court under subsection (3) must be made within 12 months after the person making the application received notice of the entry of judgment, settlement or compromise of the common law proceeding.
- (6) An apportionment in accordance with this Division is an apportionment in relation to—
 - (a) the amount of damages and costs awarded or agreed to be paid in accordance with this Division; and
 - (b) the costs of the conduct of the defence of the common law proceedings.

Division 6—Other actions and rights

366 Damages under Part III of Wrongs Act 1958

- (1) A dependant of a worker may recover damages under Part III of the **Wrongs Act 1958** in respect of the death of a worker arising otherwise than out of a transport accident within the meaning of the **Transport Accident Act 1986**.
- (2) A court must not, in proceedings under Part III of the **Wrongs Act 1958**, award damages in accordance with subsection (1) in respect of the death of a person in excess of \$886 330.
- (3) If an award of damages in accordance with subsection (1) is to include an amount, assessed as a lump sum, in respect of damages for future loss which is referable to—
 - (a) deprivation or impairment of earning capacity; or
 - (b) loss of the expectation of financial support; or
 - (c) a liability to incur expenditure in the future; or
 - (d) any loss suffered by a dependant—
the present value of the future loss must be qualified by adopting a discount rate of 3 per cent in order to make appropriate allowance for inflation, the income from investment of the sum awarded and the effect of taxation on that income.
- (4) Except as provided in subsection (3), nothing in that subsection affects any other law relating to the discounting of sums awarded as damages.

- (5) A court must not, in relation to an award of damages in accordance with this section, order the payment of interest, and no interest is payable, on any amount of damages, other than damages referable to loss actually suffered before the date of the award, in respect of the period from the date of the death of the person in respect of whom the award is made, to the date of the award.
- (6) Except as provided in subsection (5), nothing in that subsection affects any other law relating to the payment of interest on any amount of damages, other than special damages.
- (7) If a judgment, order for damages, settlement or compromise is made or entered in favour of a defendant of a worker in respect of proceedings in respect of the death of the worker—
 - (a) the amount of the judgment, order for damages, settlement or compromise must be reduced by the sum of the compensation (if any) paid under section 236, 237, 239, 241 or 243 in respect of the death; and
 - (b) the Authority, the employer or self-insurer is not liable to pay compensation, or further compensation, in respect of the death.

367 Liability of Transport Accident Commission

- (1) If—
 - (a) the Authority is required under this Act to pay an amount of compensation in respect of the death or injury of a worker arising out of a transport accident within the meaning of section 3 of the **Transport Accident Act 1986**; and
 - (b) the Transport Accident Commission would, if no compensation were payable under this Act in respect of the death or injury, have been liable to make payments in respect of

that death or injury under the **Transport Accident Act 1986**—

the Transport Accident Commission, despite anything to the contrary in the **Transport Accident Act 1986**, is liable to make payment to the Authority of an amount equal to the total amount of compensation paid or payable under this Act and any amount paid or payable under an award of damages or in a settlement of a claim or action for damages in respect of that death or injury.

(2) If—

- (a) a self-insurer has appointed the Transport Accident Commission to be its agent under section 392; and
- (b) the self-insurer is required under this Act to pay an amount of compensation in respect of the death or injury of a worker arising out of a transport accident within the meaning of section 3 of the **Transport Accident Act 1986**; and
- (c) the Transport Accident Commission would, if no compensation were payable under this Act in respect of the death or injury, have been liable to make payments in respect of that death or injury under the **Transport Accident Act 1986**—

the Transport Accident Commission, despite anything to the contrary in the **Transport Accident Act 1986**, is liable to make payment to the self-insurer of an amount equal to the total amount of compensation paid under this Act in respect of that death or injury, less an amount equal to the employer's excess that would be applicable under section 72 if the self-insurer were not a self-insurer.

- (3) The Transport Accident Fund under the **Transport Accident Act 1986** may be applied for the purpose of making any payment which the Transport Accident Commission is liable to make under this section.

368 Settlement between Transport Accident Commission and the Authority

- (1) If—
- (a) the Transport Accident Commission is liable to make a payment to the Authority in accordance with section 367(1); or
 - (b) it appears to the Authority and the Transport Accident Commission that the Transport Accident Commission may become liable to make further payments to the Authority in accordance with that section—

the Transport Accident Commission and the Authority may undertake a settlement of that liability or potential liability to make payments in accordance with that section.

- (2) For the purposes of a settlement under subsection (1) of a liability or potential liability, the Authority and the Transport Accident Commission may, despite section 367(1), determine the value of that liability or potential liability in any manner they think fit.

369 Indemnity by third party

- (1) Where an injury or a death for which compensation has been paid, or is or may be payable, by the Authority, a self-insurer or an employer was caused under circumstances creating a liability in a third party to pay damages in respect of the injury or death or that would have created such a liability if the injury or death had been caused in Victoria, the Authority, self-
-

insurer or employer is entitled to be indemnified by the third party in accordance with this section.

- (2) In determining for the purposes of subsection (1) whether an injury or death was caused under circumstances creating a liability in a third party to pay damages or that would have created such a liability if the injury or death had been caused in Victoria in respect of the injury or death, Division 2 must not be taken into account.
- (3) The amount which a third party is required to pay as indemnity under subsection (1) is the lesser of—
 - (a) the amount of compensation paid or payable under this Act in respect of the injury or death; and
 - (b) the amount calculated, were it not for the provisions of this Act, the **Transport Accident Act 1986** and Parts VB, VBA and X of the **Wrongs Act 1958**, in accordance with the formula—

$$[A - (B + C)] \times \frac{X}{100}$$

where—

- A** is the amount of damages (disregarding the extent, if any, whereby any other person's act, default or negligence caused or contributed to the injury or death) for pecuniary loss and non pecuniary loss which the third party is or would have been liable to pay in respect of the injury or death;
- B** is the amount recovered or recoverable by the Authority or self-insurer under section 367 from the Transport

Accident Commission otherwise than under a settlement;

C is the amount paid by the third party in respect of the injury or death to the worker or the dependants of the worker under any settlement of, or judgment in, an action by the worker or dependants of the worker against the third party;

X is the extent, expressed as a percentage, whereby the third party's act, default or negligence caused or contributed to the injury or death.

(4) Judgment against or settlement by a third party in an action by a worker, or dependants of a worker, in respect of an injury or death referred to in subsection (1) does not eliminate or diminish the right of indemnity given by this section, except to the extent provided in this section.

(5) A term of any contract that requires the employer or has the effect of requiring the employer to indemnify the third party in respect of any liability that the third party has or may have under this section is void.

(6) If—

(a) the Transport Accident Commission is liable to make a payment to the Authority under section 367(1) or to a self-insurer under section 367(2) in respect of a death or injury; and

(b) the Authority or self-insurer is entitled under this section to be indemnified by a third party in respect of the liability—

the entitlement of the Authority or self-insurer is subrogated to the Transport Accident Commission by virtue of this subsection.

- (7) The Authority may, in its discretion, seek to recover any indemnity that the employer is entitled to under this section, including an amount that represents the employer's liability to pay compensation under section 72(1), on the employer's behalf, if—
 - (a) the Authority advises the employer of the Authority's intention to seek the indemnity for the employer; and
 - (b) the employer gives the Authority the employer's written consent to seek the indemnity under this section on the employer's behalf.
- (8) If the Authority recovers an amount from a third party on behalf of the employer that includes an amount that represents the employer's liability to pay compensation under section 72, the Authority may, in its absolute discretion, decide how that amount is to be disbursed.
- (9) Any proceedings to seek review of a decision made by the Authority under subsection (7) or (8) in respect of recovery action taken on behalf of an employer (including a decision to not take recovery action on behalf of an employer) must not be brought, whether against the Authority or otherwise.

370 Substantive law

For the avoidance of doubt, it is hereby declared that all the provisions of Divisions 2 and 3 and this Division contain matters that are substantive law and are not procedural in nature.

371 Compensation for pain and suffering

- (1) Despite anything to the contrary in Subdivision (1) of Division 2 of Part 4 of the **Sentencing Act 1991**, a court must not exercise the powers conferred by that Subdivision to make

a compensation order within the meaning of that Subdivision if the compensation would be for—

- (a) a matter arising from discriminatory conduct that constitutes an offence against section 575; or
 - (b) a matter—
 - (i) arising from an injury or death in respect of which it appears to the court that the person has an entitlement to any compensation under this Act; and
 - (ii) arising from an event that constitutes an offence only against the **Dangerous Goods Act 1985**, the **Occupational Health and Safety Act 2004** or the **Equipment (Public Safety) Act 1994** or any regulations made under any of those Acts.
- (2) For the purposes of subsection (1)(b)(i), a person is not to be regarded as having an entitlement to any compensation under this Act if the entitlement would arise only under any or all of sections 224(1)(b) and (c) and 237 (only by virtue of subsection (3)).

Note

A body corporate that is applying for the renewal of approval as a self-insurer does not require a determination from the Authority under subsection (1) if it is a self-insurer at the time of the application unless the body corporate has become an eligible subsidiary of another body corporate. See section 376(2)(b).

- (2) An application referred to in subsection (1) must be in writing and accompanied by the fee calculated in accordance with Schedule 6.

- (5) A determination under this section remains in force for 12 months or such longer time as the Authority, in its discretion, determines unless, in the meantime—

 - (ii) the Authority, in its discretion, has decided to adjust the fee.
- (5) If the fee paid is less than the amount that would have been payable had the relevant remuneration been used to calculate the application fee, the difference is payable by the employer to the Authority and may be recovered by the Authority as a debt payable to the Authority.
 - (6) If the fee paid is more than the amount that would have been payable had the relevant remuneration been used to calculate the application fee, the difference must be reimbursed by the Authority to the employer.

Division 3—Rateable remuneration

439 Employer to give estimate of rateable remuneration

If the Authority gives an employer to which section 430(1) applies a notice in writing requesting an estimate by the employer of rateable remuneration payable by the employer in respect of a premium period specified in the notice, the employer must, within 28 days or such longer period as is specified in the notice, give the Authority an estimate of that rateable remuneration, in a form approved by the Authority.

Penalty: In the case of a natural person,
120 penalty units;

In the case of a body corporate,
600 penalty units.

440 Authority may estimate rateable remuneration of employer

- (1) The Authority may, for the purposes of this Act, estimate the amount of rateable remuneration an employer is liable to pay in respect of a premium period.
 - (2) The Authority must give notice in writing to the employer of the amount of rateable remuneration estimated under subsection (1).
-

441 Certified statement of rateable remuneration

The Authority may, by notice in writing given to an employer, require the employer to give the Authority a certified statement, in a form approved by the Authority, of rateable remuneration paid or payable by the employer in respect of a premium period specified in the notice.

442 Employer to give certified statement

- (1) An employer must give the certified statement required under section 441 to the Authority within 28 days after receiving the notice or such longer period as is specified in the notice.

Penalty: In the case of a natural person,
120 penalty units;

In the case of a body corporate,
600 penalty units.

- (2) For the purposes of subsection (1), if the rateable remuneration specified in a certified statement given by an employer under that subsection is incorrect, the provision of the certified statement is not compliance with that subsection.

- (3) If—

- (a) an employer does not comply with subsection (1); or

- (b) the Authority considers that a certified statement given by an employer is incorrect—

the Authority may estimate the rateable remuneration paid or payable by the employer in respect of a specified premium period.

443 Revised estimates of rateable remuneration

- (1) If, as a result of changed circumstances, an employer becomes aware that the actual rateable remuneration paid or payable by the employer in respect of a premium period exceeds, or is likely to exceed, by more than 20 per cent or such other percentage as is prescribed, the estimate of rateable remuneration given by the employer or made by the Authority in respect of that period, the employer must—
 - (a) advise the Authority of the changed circumstances; and
 - (b) give the Authority a revised estimate of rateable remuneration in a form approved by the Authority—within 28 days of becoming aware of the changed circumstances.

Penalty: In the case of a natural person, 120 penalty units;
In the case of a body corporate, 600 penalty units.
- (2) If the actual rateable remuneration paid or payable by an employer as at any time before the last 2 months of a premium period exceeds the estimate of rateable remuneration given by the employer or made by the Authority in respect of that premium period, the employer must—

- (b) give the Authority a revised estimate of rateable remuneration in a form approved by the Authority—

within 28 days of the actual rateable remuneration exceeding the estimate.

Penalty: In the case of a natural person,
120 penalty units;

- (b) an employer gives an incorrect statement under section 441; or
- (c) the amount specified in a certified statement of rateable remuneration under section 442(1) or estimated under section 442(3) is more than 20 per cent, or such other percentage as is prescribed, higher than the previous estimate of rateable remuneration (if any) provided by the employer—

the employer is, if the Authority gives the employer a notice of penalty, liable to pay, in addition to the difference between the premium that ought to have been payable by the employer and the premium calculated on the basis of the employer's remuneration previously estimated or certified, as the case requires, a default penalty of an amount equal to that difference.

- (2) A default penalty under subsection (1) is due and payable within 28 days after the notice of penalty.
- (3) The Authority may remit the whole or a part of a default penalty imposed under this section.

- (1) For the purposes of the calculation of premiums under this Part, amounts paid by an employer as a superannuation benefit that is alleged by the employer to be paid in respect of services performed or rendered by a worker before 1 January 1998, must be shown in the employer's records, together with the manner of calculation of the benefit and any actuarial basis for it, to the satisfaction of the Authority.
-

(2) For the purposes of subsection (1)—

- (a) the certificate of a Fellow or Accredited Member of the Institute of Actuaries of Australia to the effect that the actuarial basis on which an amount is calculated is justified is evidence and, in the absence of evidence to the contrary, proof of that fact; and
- (b) if records are not kept as required by subsection (1), the Authority is entitled to assume, for the purposes of the calculation of premiums, that a payment by an employer as a superannuation benefit on or after 1 January 1998 is an amount payable in respect of services performed or rendered by a worker on or after that date.

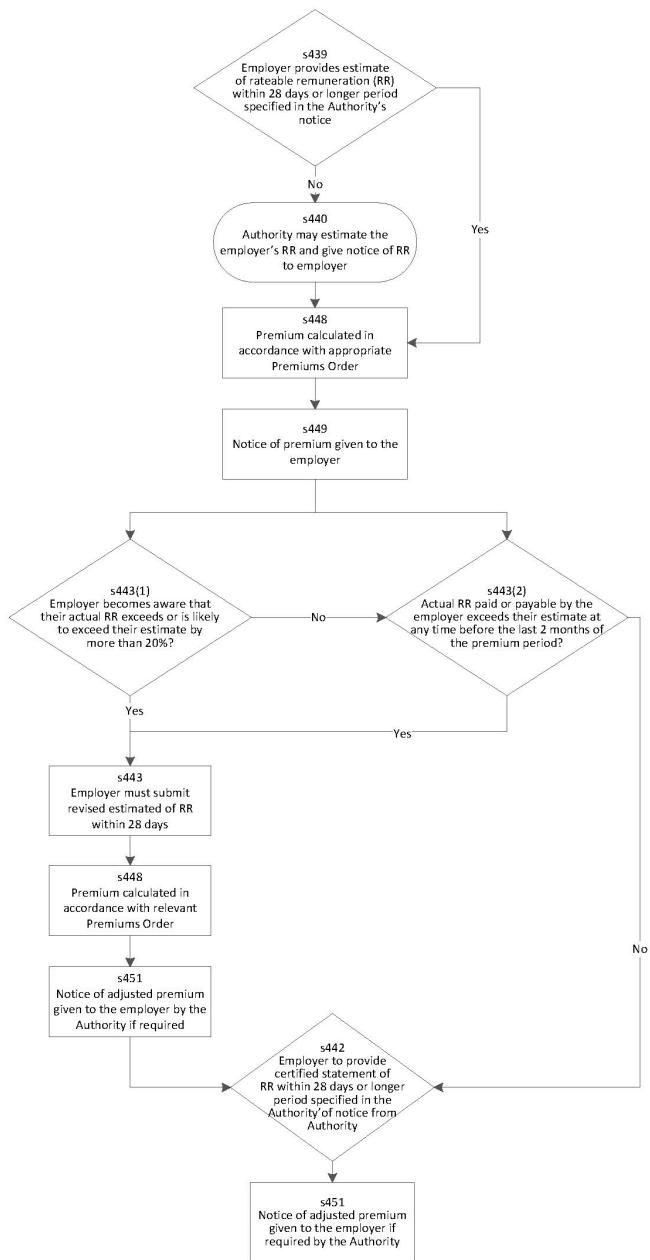

(3) For the purposes of any calculation of premiums, the Authority may determine—

- (a) whether, and the extent to which, any money paid or payable by an employer to a superannuation, provident or retirement fund or scheme that is not identified by the employer as paid or payable in respect of a particular worker; and

 - (b) on 1 July in each subsequent year in respect of the financial year commencing on that date—

by varying the amount of the worker's pre-injury average weekly earnings for the purposes of the calculation of the amount of the weekly pension in accordance with the formula—

-

$$D \times \frac{E}{F}$$

where—

- D** is the amount of the worker's pre-injury average weekly earnings within the meaning of section 153 or, if that amount has been varied in accordance with this section, that amount as last so varied;

546 Indexation—no reduction

If the variation of an amount specified in section 542, 543, 544 or 545 or in a Table to section 544 or 545 by operation of that section has the effect of reducing the amount—

- (a) the variation is deemed not to have taken effect, except for the purposes of the application of this section; and
- (b) when the amount is varied and increased by operation of this section in respect of the next or a subsequent financial year, that variation has effect as an increase only to the extent (if any) to which the amount of the increase exceeds the amount of the reduction in respect of a preceding financial year, or that part of such a reduction that has not been set off against a previous increase.

547 Indexation—rounding

Where it is necessary for the purposes of this Division to calculate an amount, the amount is deemed to have been calculated in accordance with this section if the calculation is made—

- (a) if the amount is less than \$1000, to the nearest whole \$1; or
- (b) if the amount is \$1000 or more, to the nearest whole \$10.

Division 2—Agreements

- (2) An agreement under subsection (1) may provide—

- (1) The Authority may enter into an agreement with a person or body constituted by or under the law of another State or Territory or of the Commonwealth relating to the payment of premium or other amounts in respect of remuneration paid or payable in respect of

- (2) An agreement under subsection (1) may provide—
 - (a) that the provisions of this Act or the **Accident Compensation (WorkCover Insurance) Act 1993** apply and the provisions of the law of the corresponding State do not apply in respect of remuneration paid or payable in respect of services performed or rendered partly in Victoria and partly in the corresponding State; or

- (2) An agreement under subsection (1) made by the Authority with a person or body—
 - (a) must include an agreement by the Authority to make to that person or body payments in respect of the reasonable costs of that person or body for providing the service in

accordance with a scale of payments specified in the agreement; and

- (b) must include an agreement by that person or body that the person or body will not make a demand to a person other than the Authority for payment of the whole or any part of costs in respect of which the Authority has agreed to make payments; and
 - (c) is subject to such other terms and conditions including terms and conditions relating to revocation as the Authority determines and specifies in the agreement.

s. 24(24).

- (2) A person must not exercise a power under subsection (1) in any part of premises used only for residential purposes except with the consent of the occupier for the time being of that part.

562 Consequences of prohibited conduct for recovery of fees by agents

- (1) An agent is not entitled to recover from a person any fees, costs or other charges that would otherwise be payable by the person in connection with services made use of by the person if the services were made use of as a result of prohibited conduct engaged in by the agent, regardless of whether the agent has been proceeded against or convicted for an offence in respect of that prohibited conduct.
- (2) If prohibited conduct engaged in by an agent involved encouraging a person to make use of services and the person makes use of those services after the conduct is engaged in, it is to be presumed for the purposes of this section that the services were made use of as a result of that prohibited conduct, unless the agent concerned establishes otherwise.
- (3) If the services of an agent were made use of as a result of prohibited conduct engaged in by the agent in connection with a claim under Division 5 of Part 5 of this Act or Division 2A of Part IV of the **Accident Compensation Act 1985** for a diminution of hearing, it is to be presumed for the purposes of this section that any services of the agent made use of in connection with a subsequent claim for a further diminution of hearing made by the same worker (whether or not made against the same employer) were made use

of as a result of prohibited conduct engaged in by the agent, unless the agent concerned establishes otherwise.

- (4) A person who has paid any amount in respect of fees, costs or other charges to an agent that the agent would not have been entitled to recover because of this section is entitled to recover the amount from the agent as a debt in a court of competent jurisdiction.

- (1) A legal practitioner who acts for a person on a claim must not include in any bill given to the person, and must not otherwise seek to recover from the person, any amount by way of disbursements for fees paid to an agent in connection with referral of the person to the legal practitioner by the agent if the legal practitioner knows or has reasonable cause to suspect that the agent engaged in prohibited conduct that involved encouraging the person to make the claim, regardless of whether the agent has been proceeded against or convicted for an offence in respect of that prohibited conduct.

Penalty: In the case of a natural person,
60 penalty units;

In the case of a body corporate,
300 penalty units.

- (2) A legal practitioner who acts for a person on a claim is not entitled to recover from any person any amount by way of disbursements for fees paid to an agent in connection with the claim if the claim was made as a result of prohibited conduct engaged in by the agent, regardless of whether the agent has been proceeded against or convicted for an offence in respect of that prohibited conduct.

- (3) If prohibited conduct engaged in by an agent involved encouraging a person to make a claim and the person makes a claim after the conduct is engaged in, it is to be presumed for the purposes of subsection (2) that the claim was made as a result of that prohibited conduct unless the legal practitioner establishes otherwise.
- (4) If a claim under Division 5 of Part 5 of this Act or Division 2A of Part IV of the **Accident Compensation Act 1985** for a diminution of hearing was made as a result of prohibited conduct engaged in by an agent, it is to be presumed for the purposes of subsection (2) that any subsequent claim for further diminution of hearing made by the same worker (whether or not made against the same employer) in connection with which that agent performed any service was made as a result of prohibited conduct engaged in by that agent, unless the legal practitioner concerned establishes otherwise.
- (5) A person who has paid any amount in respect of disbursements to a legal practitioner that the legal practitioner would not have been entitled to recover because of subsection (2) is entitled to recover the amount from the legal practitioner as a debt in a court of competent jurisdiction.

 - (a) the legal practitioner or agent is not entitled to be paid by or recover from the Authority, employer or self-insurer any fees, costs or other charges incurred in connection with the claim concerned until the certificate is provided (even if the fees, costs or other charges are payable under an award or order of a court); and
 - (b) no interest that might otherwise be payable on those fees, costs or other charges is payable for the period from when the certificate is requested until it is provided (despite any order or award of a court for the payment of that interest).
- (4) A legal practitioner or agent can provide the Authority, employer or self-insurer with a certificate under this section even if the Authority or self-insurer has not requested it.
- (5) A legal practitioner or agent who gives a certificate under this section about a claim made by a person is guilty of an offence if the legal practitioner or agent—

 - (b) in the case of an agent that is a corporation, a director of the corporation or other person concerned in the management of the corporation has persistently engaged in any such conduct.
- (3) Before the Authority gives such a notification, it must give the agent a reasonable opportunity to make written submissions to the Authority on the matter.
- (4) The effect of a notification under this section is that the agent specified in the notification is not entitled to recover fees, costs or other charges (as provided by the notification) in respect of

- (1) The Authority may by direction in writing given to an agent prohibit either absolutely or in specified circumstances the agent from acting for any person in connection with any claims or in connection with specified types of claims.
- (2) Such a direction must not be given unless—
 - (a) the Authority is satisfied that the agent concerned has persistently engaged in conduct that the Authority reasonably believes to be prohibited conduct and, as a result, is not a fit and proper person to act in connection with claims to which the direction relates; and
 - (b) the Authority has given the agent a reasonable opportunity to make a written submission to the Authority on the matter.

- (2) The regulations may make provision for limiting the operation of this section with respect to legal practitioners.

INTERPRETATION OF LEGISLATION ACT 1984 (ILA)

Style changes

Section 54A of the ILA authorises the making of the style changes set out in Schedule 1 to that Act.

References to ILA s. 39B

Sidenotes which cite ILA s. 39B refer to section 39B of the ILA which provides that where an undivided section or clause of a Schedule is amended by the insertion of one or more subsections or subclauses, the original section or clause becomes subsection or subclause (1) and is amended by the insertion of the expression "(1)" at the beginning of the original section or clause.

Interpretation

As from 1 January 2001, amendments to section 36 of the ILA have the following effects:

- **Headings**

All headings included in an Act which is passed on or after 1 January 2001 form part of that Act. Any heading inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, forms part of that Act. This includes headings to Parts, Divisions or Subdivisions in a Schedule; sections; clauses; items; tables; columns; examples; diagrams; notes or forms. See section 36(1A)(2A).

- **Examples, diagrams or notes**

All examples, diagrams or notes included in an Act which is passed on or after 1 January 2001 form part of that Act. Any examples, diagrams or notes inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, form part of that Act. See section 36(3A).

- **Punctuation**

All punctuation included in an Act which is passed on or after 1 January 2001 forms part of that Act. Any punctuation inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, forms part of that Act. See section 36(3B).

- **Provision numbers**

All provision numbers included in an Act form part of that Act, whether inserted in the Act before, on or after 1 January 2001. Provision numbers include section numbers, subsection numbers, paragraphs and subparagraphs. See section 36(3C).

- **Location of "legislative items"**

A "legislative item" is a penalty, an example or a note. As from 13 October 2004, a legislative item relating to a provision of an Act is taken to be at the foot of that provision even if it is preceded or followed by another legislative item that relates to that provision. For example, if a penalty at the foot of a provision is followed by a note, both of these legislative items will be regarded as being at the foot of that provision. See section 36B.

- **Other material**

Any explanatory memorandum, table of provisions, endnotes, index and other material printed after the Endnotes does not form part of an Act. See section 36(3)(3D)(3E).
